

LIMITED WARRANTY FOR VAN BODY

Morgan Truck Body, LLC ("Morgan") warrants each van body sold to the original purchaser and installed on the original chassis to be free of defects in material and workmanship as set forth herein.

THIS WARRANTY IS MADE AT THE TIME OF RELEASE TO THE ORIGINAL PURCHASER AND IS GIVEN IN LIEU OF ANY AND ALL OTHER EXPRESS OR IMPLIED WARRANTIES (INCLUDES PARTS & SERVICE). THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY DISCLAIMED.

30 Day Coverage

This warranty is for a period of 30 days from the date of release to the original purchaser. It covers the mounting of the body to the chassis by a Morgan manufacturing facility and includes mud flaps and light bulbs supplied by Morgan.

90 Day Coverage

This warranty is for a period of 90 days from date of release to the original purchaser. It covers the installation of overhead doors installed but not manufactured by Morgan. Morgan also offers a 90-day warranty on labor and installation work performed at any Morgan owned Service facility.

180 Day Coverage

This warranty is for a period of 180 days from date of release to the original purchaser. It covers the installation by Morgan of customer requested items (e.g., liftgates, and other accessories installed, but not manufactured by Morgan).

1-Year Coverage

This warranty is for a period of 1 year from date of release to the original purchaser. It covers flooring*, electrical wiring, swing panel door hardware, paint, side panels and roof material, rust-through corrosion, sealant, interior lining, fasteners and Morgan aluminum walkramps. ***EXCEPTION: Warranty coverage for gaps, gouges, cracks and/or splits in PINE WOOD FLOORING is 90 days.**

5-Year Coverage

This warranty is for a period of 5 years from date of release to the original purchaser. It covers the roof bows, side and front wall posts, top and bottom rails, rear frame and body substructure, mounting hardware, and Morganplate swing panel door corrosion, and surface rust / rust-through of UC012 subframe undercoated surfaces.

Non-Morgan Parts, Accessories, & Goods

Morgan's Warranty does not cover design or material defects on any part, accessory, or goods manufactured by others that are installed on a Morgan van body. Morgan will facilitate the administration of any warrantable issue between the non-Morgan supplier and the customer.

Not covered by Warranty:

Deterioration caused by corrosive, hazardous or unsafe

cargo Defects in Chassis and or Power Unit

Defect in components not manufactured by Morgan (e.g., liftgates, overhead doors, non-Morgan walkramps, etc.) Deterioration due to normal wear and tear

Tightening of U-bolts [Reference Morgan's Owner Manual & Recommended Maintenance Procedure].

Removable/replaceable accessories (e.g., cargo control straps and bars, refrigeration AC units)

Deterioration due to damage or misuse (**including, but not limited to, the use of forklifts and pallet jacks in van bodies where such are prohibited**), abuse, failure to follow recommended maintenance procedures outlined in Morgan Owner's Manual or Warning Labels, acts of nature, including, but not limited to lightning, hurricanes, tornadoes, winds, snow, hail, floods or fire, or other contingencies beyond the control of Morgan

Repairs and/or modifications made without the approval of Morgan

Customer Requests to install graphics on flexible substrates (i.e., rubber and/or brush door seals).

Mounting or re-mounting not performed by a Morgan Authorized Repair

Center Transportation to and from repair facility to obtain warranty service

It shall be Customer's responsibility to contact Morgan or an Authorized Morgan Repair Center and obtain approval and a Morgan Warranty Authorization Number before any repairs are made which are covered by or affect this warranty, in order to secure Morgan's approval. Approval/ Authorization numbers provided by Morgan pursuant to a warranty claim are voided if not used within 60 days of issuance. Morgan shall, at its option, provide a factory or local representative to inspect the equipment prior to issuing such approval. Morgan reserves the right to make changes or improvements in design or product without thereby obligating itself to make the same changes or improvements upon its product previously manufactured. Morgan's warranty is void if Morgan's original equipment parts are not used in repairs and/or if the repair was not performed by Morgan or by an Authorized Morgan Repair Center.

Morgan shall not be responsible nor otherwise be held liable for cargo loss, loss of use (including truck rental fees), property damage, other commercial (economic) loss, or other direct, indirect, incidental, consequential, or special damages alleged to have been caused by any product delivered thereunder, or any delay in delivery of such product. (This limitation shall apply regardless of whether the exclusive remedy provided hereunder "fails in its essential purpose" within the meaning of Section 2719 (b) of the Pennsylvania Uniform Commercial Code.)

Customer's sole and exclusive remedy for any claim arising out of (a) breach of contract, (b) any defects in products or workmanship, (c) breach of any warranty hereunder, (d) Morgan's negligence in performing hereunder, or (e) any other claim arising hereunder whether in tort, strict liability, or otherwise, shall be limited to the repair or replacement of such products, at Morgan's option, within the period set forth herein, and shall be deemed waived unless such claim is made in accordance with the following procedures: (1) Customer shall give Morgan written notice of such defect, including a description of product and defect, within (30) days after such defect is, or ought to have been, discovered; and (2) if and after Morgan requests its return for inspection and or replacement and such product is returned to Morgan within ten (10) days with freight prepaid by the customer. Upon receipt of proper notice from Customer and return to Morgan (if requested, as provided hereunder), Morgan shall be obligated to repair or replace such product only if, after Morgan's inspection, such product is found to Morgan's satisfaction (a) to be defective, (b) not to have been manufactured in a workmanlike manner, or (c) not to have been manufactured in accordance with written specification or drawing, if any, supplied by Customer to Morgan. Customer shall have no other equitable or other remedy at law available to it.

Form No. F7.2-032(R) July2026
