EXTERIOR LIGHTING - LED Sealed Clearance Lights, Per FMVSS-108 Installed In Front Corner Caps, Side Top Rails And Five Across Rear Header.

MOUNTING - Full Mount - U Bolt

MUDFLAPS - Morgan 24” X 36” Black

Morgan innovation changed the van body industry when they produced a body that is aerodynamic in design, and features patented poly-tuff corners, a reinforced front-end.

Pre-undercoated floorboards, tapered wood sleeper-slats and steel u-bolts, deliver the solid platform you need – and expect from Morgan.

Rugged rear frame, clearance light protectors, rain deflector and LED lighting sets -- to make it the toughest body on the road.

Every Morgan body is customized to meet your unique needs, so you’re ready to meet the unique needs of YOUR customers!

Flooring has two screws per board in a staggered pattern design for added durability.

*Optional equipment may be shown.
Morgan truck bodies are already the best built and equipped in the industry. But you can further enhance their performance with a wide range of options, from bumpers and cargo restraint systems, to liftgates and much more. Trust Morgan to exceed your highest expectations.
