

**Stake Platform - MHP**

Morgan's bulkhead design, provides the strength and protection you expect, plus added visibility to your cargo

Morgan recognizes the assault heavy-duty haulers may have to endure. That's why they designed in features such as -- structural outside rails for added platform strength, heavy-duty formed steel stake pockets, and steel rub-rails welded over side stake-pockets -- to mitigate downtime, and help ensure that your MHP performs time and again!

## STANDARD FEATURES

**SUBFRAME** - 4" i Beam Crossmembers On 12" Centers With 6" Structural Channel Longrails With Rack Pockets On Sides And Rear - Painted Black

**BULKHEAD** - Steel 48" High With Window - Painted Black

**FLOOR** - 1-5/16" Apitong, Paint Undercoating Applied To Underside Of Body

**BUMPER** - 5" Structural Bumper With Pooched Surface

**EXTERIOR LIGHTS** - Led Per Fmvss-108 Standards

**MOUNTING** - Full Mount-u Bolt

**MUDFLAPS** - Morgan 24" X 36" Black

MHP is HEAVY-DUTY making it the bench-mark by which others are m

With Morgan's MHP strength also means flexibility -- with options such as your choice of bumpers, cargo-restraint systems, lift-gates, tool-boxes, LED lighting, and cargo-controls -- including cargo-restraint systems, tie-downs, hoists and other features to enhance safety and efficiency in transporting even the most challenging loads

## OPTIONS
