

PROJECT "AGORA"

EXPERIENCE AND INSPIRATION...FUEL INNOVATION!

Morgan Truck Body introduces **Project "Agora"** – the evolution of innovative design and intelligent interface to satisfy future demands!

Agora's aerodynamic design directs airflow around the body to reduce drag for greater fuel efficiency. Lightweight components allow for increased payload capacity. Strategically applied technology supports greater visibility and safety. And thoughtfully employed ergonomics make your job easier and more efficient.

**AERODYNAMIC
DESIGN**

**LIGHTWEIGHT BODY
COMPONENTS**

**ERGONOMIC
ENHANCEMENTS**

INTEGRATED AERODYNAMIC SHAPE

AERODYNAMIC SIDEGUARD

Mid-panel translucent roof allows natural sunlight while reducing the amount of heat transferred into the truck body associated with typical translucent roof panels.

LED strip lighting provides efficient and consistent light throughout the length of the body.

POWERED SIDE CANISTER DOOR

Powered rear overhead door and powered side canister door reduce physical strain with effortless operation. Operators can easily open or close the powered doors with a touchscreen in the cab, remote key fobs, or intelligent keyless entry.

External 360° and internal cargo area cameras, which can be viewed in both the cab and cargo area, provide enhanced awareness of potential hazards in or around the vehicle.

Rear and Side Blindspot Monitoring supplements the camera systems to alert drivers of potential moving hazards near the truck.

EXTERNAL 360° & INTERNAL CARGO AREA CAMERA

Chassis: **Isuzu FTR**

Chassis GVWR: **25,950 lbs**

Body Model: **VSD09726096**

Body Dimensions: **24'L x 97"H x 96"W**

Chassis Weight: **10,240 lbs**

Body Weight w/Options: **3,440 lbs**

Total Unit Weight: **13,680 lbs**

Available Payload: **12,270 lbs**

THE SHAPE OF THINGS TO COME

Products as shown may include optional equipment that is not part of the standard Morgan Truck Body configuration. Some product images may differ from current configurations and may not be available as depicted at the time of your order. NOTE: All dimensions, weights, and measurements specified herein are subject to Morgan's manufacturing tolerances, may change without notice, and may vary depending on options selected. Please Contact Morgan Representative for available options, complete up-to-date specifications and for measurements for your particular truck body and chassis specifications.
